I FEEL Mode

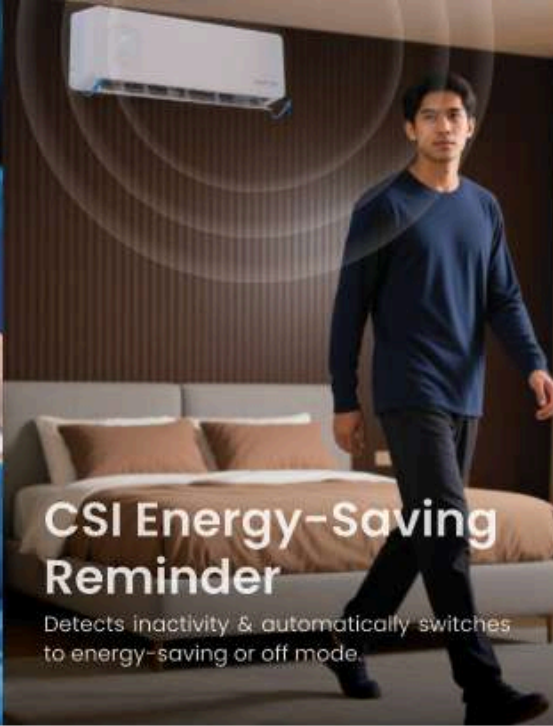

Control indoor temperature for baby comfort with the remote's temperature sensor.

Temperature Sensor

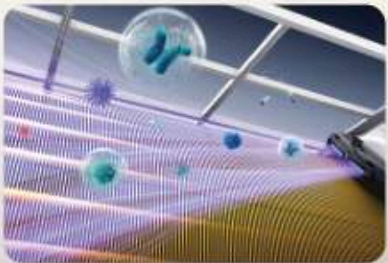

CSI Energy-Saving Reminder

Detects inactivity & automatically switches to energy-saving or off mode.

UVC Sterilisation 99.2%

UVC light sanitises air and surfaces, delivering cool, bacteria-free airflow.

Self-Cleaning Mode

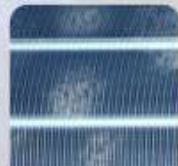

The surface of the evaporator quickly cools & frosts, creating a strong cold expansion force the dash to peel away the dirt easily.

Peels away the dirt easily

Rinse away impurities

Mildew proof and keep dry

Golf Ball Texture Louver

Delivers a gentle breeze, ensuring soft airflow without direct wind.

30-second Rapid Cooling

Achieve comfort effect with a quick 30-second rapid cooling

AIoT Smart Air Conditioning Made Simple

One app to manage all your air conditioning needs with ease.
